

1531 Cobble Hill Lane

\$484,900
4 Bedrooms · 4 Bathrooms
MLS# 488982 · Homesite# 24

In addition to the master suite you will find a second bedroom with its own private bath located on the main level. The large great room with its beautiful gas fireplace is perfect for large gatherings or just relax with the family in the keeping room with its cozy gas fireplace. Or hang out in the stunning kitchen which is open to all. As you go to the second level you will be pleased to find two private bedroom suites with their own private baths.

Separating these bedrooms is a study/loft. So, if this is not enough room, you have the option to finish off the full basement. (at an additional cost). Just a few things you can expect in each home: Four sides brick exteriors, Covered porches, Dimensional 30 year roofing, Irrigation systems, Iron front door, 10' ceilings on main, 9' on upper level, Security system w/two keypads, Maple cabinets, and Granite Countertops in kitchen.
