

1535 Cobble Hill Lane

\$454,900

4 Bedrooms · 3 Bathrooms

MLS# 488981 · Homesite# 23

This beautiful story and a half on full unfinished basement features four sides brick exterior and is located in a cul-de-sac in the upscale gated community of Cobble Hill in the heart of Vestavia Hills. The heart of the home lies in the well planned kitchen which is open to the great room, dining room and breakfast nook. The gourmet kitchen features an abundance of cabinets and counter space, granite countertops and an island. The main level master suite is very spacious and includes designer tile in the exquisite master bath. An additional bedroom with its private bath along with a large laundry room completes the main level. On the upper level you will find two large bedrooms with a shared bath. A full unfinished basement gives the option of finishing during construction (at an additional cost) or waiting until later as your needs change. This home is sure to make a grand first impression with its iron door and carriage garage.
